

VICE-PRESIDENT

Robyn Y. Ash, NSLS #656

Robyn Ash is Manager of Crown Survey Administration with Nova Scotia Department of Natural Resources. As a licensed Nova Scotia Land Surveyor and Canada Lands Surveyor, he has more than 18 years of experience in surveying, geomatics, geodetic control, and Crown land administration. His career includes technical, field, and leadership roles in Nova Scotia, Prince Edward Island, Saskatchewan, Alberta, and British Columbia.

Robyn holds a Bachelor of Geomatics (Cadastral Surveying) from UNB and completed Survey Technology and Geomatics Engineering Technology at COGS. Since joining the Department of Natural Resources in 2013, he played key roles in initiatives, such as, the Nova Scotia High Precision Network and the Land Titles Clarification Initiative.

He received Second Place in the 2022 David Thompson National Geomatics Award. He currently leads Crown survey administration, survey operations, land transaction support, and provincial geomatics initiatives. His work includes providing technical leadership on Crown boundaries, survey standards, geodetic control, and land management matters.

Robyn also served for 10 years with the Canadian Board of Examiners for Professional Surveyors, including roles as Secretary Treasurer, member of the Board of Directors, and member of the Candidate Evaluation Committee. His experience spans private practice, government, professional regulation, and national level service to the surveying profession.
