PRESIDENT

P. Sheldon Chisholm, NSLS #647

Sheldon is formerly of Antigonish, NS and graduated from Dr. John Hugh Gillis Regional High School in 1993. He continued with post-secondary education which included St. FX University (BBA program), Maritime Forest Ranger School (Forest Technology program), Southern Alberta Institute of Technology (SAIT) (Geomatics Engineering Technology program) and University of New Brunswick (BSc. Geomatics Engineering program). Sheldon graduated from UNB in 2010 and obtained his Nova Scotia Land Surveyor's commission (NSLS) in July, 2012.

After working as a Survey Technologist, from 2002 to 2006, for Midwest Surveys and Cadastral Group, both based in Calgary Alberta, he made his way back to Nova Scotia where he worked with Thompson Conn Limited based in Halifax. In 2011, he accepted a position as a Surveying and Drafting instructor at Nova Scotia Community College (Akerley Campus) as part of a program for Dept. of National Defense. At the end of this tenure, Sheldon opened Highland Geomatics & Engineering Inc (HGE) and joined forces with David Whyte, NSLS (Whyte McElmon & Associates) and Ted Webber Surveys. HGE has had an office in Sackville since, where Sheldon practices currently as an NSLS, PEILS, and P.Eng.

Sheldon currently lives in Hammonds Plains, NS with his wife Christina, son Logan and daughters Abby and Emma. In addition to professional work, Sheldon enjoys his time coaching minor hockey teams at TASA (Tantallon) and Metro West Force (Halifax). Sheldon enjoys family vacations, local and abroad "beer league" hockey and golfing.
