

REGULATIONS

Additional criteria for applicants not currently registered in another Canadian jurisdiction

12 An applicant for entry in the active membership roster who is not currently registered in another Canadian jurisdiction must pay the applicable registration fee and meet all of the following criteria:

- (a) all of the criteria for entry in the active membership roster in clauses 11(1)(c) to (h); (see below)
 - (c) payment of the applicable registration fee;
 - (d) the applicant is not currently subject to any disciplinary finding that would prohibit or limit the applicant's ability to practise professional land surveying;
 - (e) the applicant has provided any information required by the Board to establish that Section 50 of the Act does not apply to the applicant;
 - (f) the applicant has met any applicable requirements of the professional development program;
 - (g) evidence satisfactory to the Board that the applicant has the capacity, competence and character to safely and ethically practise professional land surveying;
 - (h) unless the requirement to carry professional liability insurance is waived under subsection (2), proof that the applicant is covered by professional liability insurance.
- (b) certification from an examining body approved by the Council;
- (c) successful completion of a period of articles;
- (d) successful completion of any examinations prescribed by the Board;
- (e) demonstration of proficiency in the English language in a manner required by the Board;
- (f) proof that the applicant is legally entitled to work in Canada;
- (g) the taking of an oath prescribed by the Board;
- (h) for an applicant who was previously registered in another Canadian jurisdiction or is or was registered in a jurisdiction outside of Canada, a certificate of standing from all jurisdictions where the applicant was previously licensed or registered establishing that the applicant is not subject to any disciplinary findings that would prohibit or limit the applicant's ability to practise professional land surveying.
